GALLOP COMPANY PROFILE

About us

Gallop Technology Co.,Ltd with its factory Shenzhen Tengyue Accessories Co.,Ltd established in 2007 in Shenzhen China, is the leading manufacturer specialized in researching, developing and manufacturing all kinds of bags.

About us

Under the policy of " high quality, reasonable price, fast delivery and thoughtful service", OEM and ODM are warmly welcomed. Our true added value is offering product innovation and peace of mind which enable our partner to extend their brand experience.

We make various bags authorized by famous brands, also the best partner for e-commerce business sellers.

Now we start to strive for our own brand " hotzone", aim to add functionality that enhance the product experience and make the bags even better and smart.

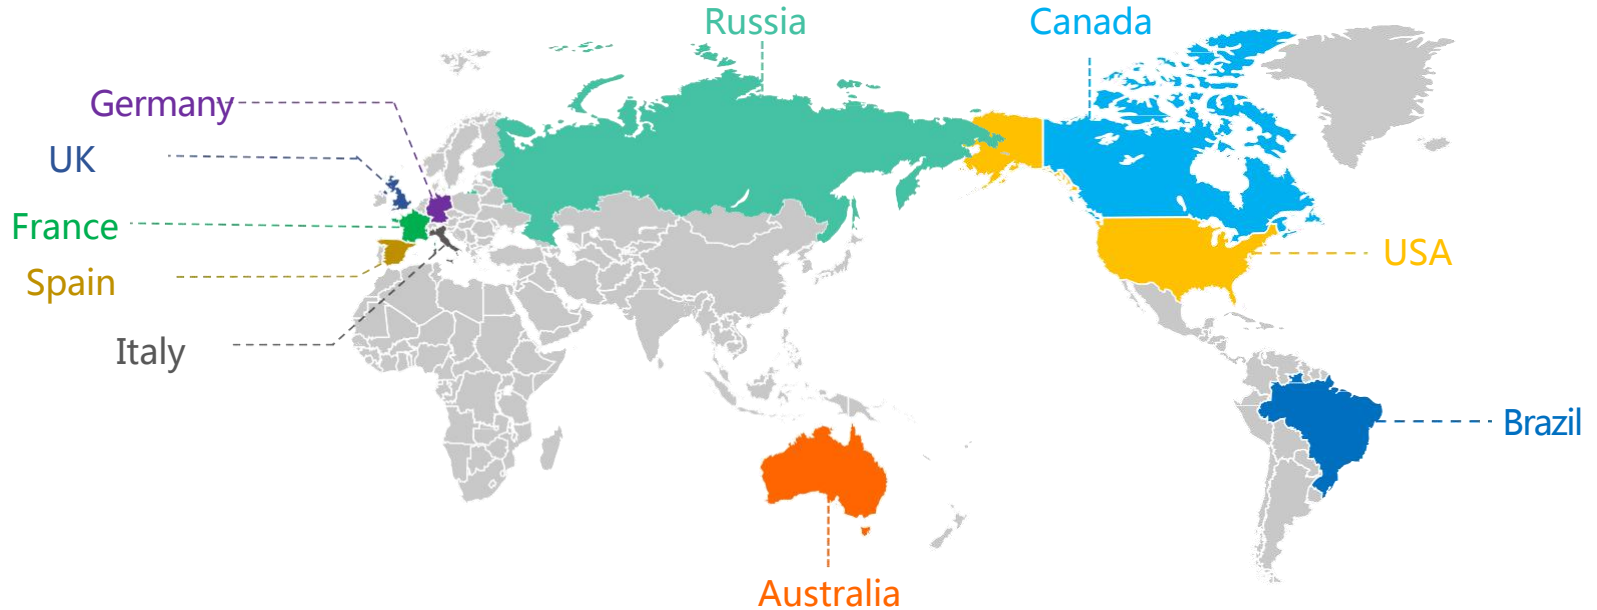

We understand it is a long way and we may meet all kinds of challenges that we have never met before, but we truly believe that with your support, we can travel longer! Would you like to be a witness and participant?

Choose Gallop, gain a loyal and long-life option professionally.

Our clients are:

Mainly from Europe, North America, South America, Oceania, and from Asia. European and American users account for nearly 90%, among which European users contribute about 55%, North America contributes about 35%, and Asia contributes about 10%.
